

Qualifications and experience: Professor Elizabeth Soilleux

Personal Statement

I am an academic clinical pathologist, regional expert in haematopathology, molecular pathology and autopsy pathology, with an exceptionally strong background in research, management and teaching at local, regional and national level.

Education & Professional Qualifications

2025	<i>Academy of Medical Educators</i>	Fellowship
2025	<i>Higher Education Academy</i>	Senior Fellowship
2019	<i>Cambridge University</i>	Postgraduate Diploma in Medical Education
2018	<i>Cambridge University</i>	Postgraduate Certificate in Medical Education
2011	<i>Cardiff University Bond Solon</i>	Expert Witness Certificate (Civil Law)
2005	<i>Royal College of Pathologists</i>	FRCPath; CCT 12th May 2006
2005	<i>European Society of Pathology</i>	Board Examination
2002	<i>Jesus College, Cambridge University</i>	PhD in molecular & cellular immunology
1996	<i>Jesus College, Cambridge University</i>	MB, BChir. Distinctions Pathology & Medicine
1994	<i>Jesus College, Cambridge University</i>	BA (Hons) Pathology (MA 1998) (Triple 1st)

Current Employment

<i>Oct 2022-present</i>	Professor/ Consultant Histopathologist with a special interest in Haematopathology and Postmortem Pathology, <i>Department of Pathology, University of Cambridge</i>
<i>Sept 2017-present</i>	Fellow and Director of Studies in Medicine, <i>Churchill College, University of Cambridge</i>

Previous Employment

<i>Oct 2021-Sept 2022</i>	Associate Professor/ Consultant Histopathologist with a special interest in Haematopathology and Postmortem Pathology, <i>Department of Pathology, University of Cambridge</i>
<i>Dec 2018-July 2021</i>	Molecular Pathology Lead <i>East Midlands and East of England Genomic Laboratory Hub</i>
<i>May 2017-Sept 2021</i>	University Lecturer/ Consultant Histopathologist with a special interest in Haematopathology and Postmortem Pathology, <i>Department of Pathology, University of Cambridge</i>
<i>Mar 2008-Apr 2017</i>	Consultant Histopathologist/ Associate Professor with a special interest in Haematopathology and Postmortem Pathology <i>Department of Histopathology, John Radcliffe Hospital, Oxford/ Radcliffe Department of Medicine, Oxford University</i>
<i>Feb 2004-June 2017</i>	Fellow and Lecturer in Pathology <i>St Hugh's College, Oxford University</i>
<i>June 2005-Feb 2008</i>	Consultant Histo/cytopathologist (head & neck/ skin pathology), <i>Department of Histopathology, John Radcliffe Hospital, Oxford</i>
<i>Feb 2004-June 2006</i>	Clinical Lecturer in Histopathology,

Nuffield Department of Clinical Laboratory Sciences, Oxford University

- Feb 2002-Jan 2004* Specialist Registrar in Histopathology,
Eastern Deanery (Addenbrooke's and Papworth Hospitals, Cambridge and Norwich)
- Feb 1999-Jan 2002* MRC Clinical Training Fellow/ Honorary Specialist Registrar in
Histopathology
Department of Pathology, Cambridge University
- Feb 1998-Jan 1999* Senior House Officer in Histopathology
Addenbrooke's Hospital, Cambridge
- Feb 1997-Jan 1998* Pre-registration House Officer posts in Medicine and Surgery
Addenbrooke's Hospital, Cambridge and Milton Keynes General Hospital

Relevant Research Activities

Areas of Interest

1. Novel molecules in translational haematopathology and immunology with potential diagnostic and therapeutic relevance.
2. Histiocyte (macrophage and dendritic cell) and T-cell biology.
3. Use of molecular diagnostics in clinical haematopathology, including novel techniques.

Reviewing

Grants I have reviewed a number of grants for the Medical Research Council.

Journals I review articles for a range of journals, including the Journal of Immunology and the Journal of Leucocyte Biology.

Editing I was on the editorial board of Diagnostic Histopathology between 2008 and 2012.

Conference Organisation

2009 Organiser British Lymphoma Pathology Group Autumn Meeting, St Hugh's College, Oxford

2008-2010 Co-organiser and chair, UK Cardiac Pathology Network Annual Training Day, Birmingham, UK.

2008 Co-organiser and chair, Pathological Society of Great Britain and Ireland Conference, Oxford, U.K.

Publications and Grants

Total publications: Journal articles: 127, Book chapters: 6, NICE guidelines: 2, Abstracts: >100.

Total research grants: >50

National and International Committees

NICE Committee, Improving Outcomes Guidelines in Haematological Cancer 2015-2016

NICE Committee, Quality Standards in Haematological Cancer 2016-2017

Pathological Society of Great Britain and Ireland (education subcommittee chair 2014-2017, committee member 2008-2011; 2019-2025)

U.K. Myeloproliferative Neoplasm Steering Group (2008-2017)

U.K. Cardiac Pathology Network Steering Group (2008-2019)

Nottingham University Molecular Pathology Course Faculty Member

Viennese Society for Pathology Course in Molecular Pathology Faculty Member

British Division International Academy of Pathologists Course in Molecular Pathology Faculty Member

Medicolegal Experience

Coronial autopsies >5000

Appearances in Coroner's Court > 250

Medicolegal cases – around 10 per annum since 2010 >90% for claimant

Cases with joint instruction – several High Court cases, all successfully resolved out of court, on the basis of my report
